

Halstead Results @ Burrton 10/07/10

Comments:

This was the second annual Burrton Cross Country Meet held again this year at Harvey County West Park. It was a small, relaxed meet; AND very enjoyable! The terrain on the grounds of the park made for a true cross country course. The weather felt like summer was back in session, with temperatures in the upper 80's and very little breeze. I felt everyone from every school ran well and competed admirably. The boys team placed 2nd overall, and Hannah Robinson placed second as an individual.

JV Boys - **Medal Winner

Caleb Bradfield - **5th (22:06)
Milan Dado - **7th (22:15)
Thomas Smith - **8th (22:23)
Nate Murano - **10th (22:36)

Custer Friesen - **13th (20:28)

Team Scores - Top 4 Scoring

1. Maize South - 24, 2. Halstead - 34, 3. Fairfield - 74, 4. Goessel – 79. 5. Canton-Galva – 79. 6. Sedgwick – 112.

Overall, I want to thank Burrton for inviting us to the meet and being a good host. I thought the runners benefited the most because a smaller meet often allows them to experience success and feel good about the work they have been putting in at practice. This will hopefully be a good metal booster for the squad going into the MCAA League Meet at Sterling on Thursday. The league meet will be the final meet of the year for some of our runners, so we hope you come out and support them.
